Where we may not be able to cater for all special dietary requirements, if a participant with a special dietary requirement were to contact race directors ahead of time, we may be able to cater for this

Drop Bags

Each participant can have a drop bag which can be accessed at Welton Le Wold. Drop bags can be deposited at race registration and should be clearly labelled with runner's name and bib number. These will be transported to South Elkington and then back to the Finish. Your drop bag may be a maximum of 10 Litres.

Crew/ Pacers

Crew and Pacers are not permitted at this event. That means, runners cannot be handed any supplies, fluid or clothing along the way. Spectators may attend the course but must not, under any circumstances park at, near to or attend any of the official aid stations. Spectators must not hand over or exchange anything with runners except for words of encouragement, please!

One exception to this is at the finishing line where a runner may be joined by as many friends and family as he or she wishes to celebrate the achievement.

Medical

There will be a dedicated team of race medics available throughout the duration of the weekend. If you suffer an injury or accident that warrants direct medical attention, the medics will be on hand to provide you with exactly that. Contact numbers and full details of what to do in an emergency will be given to you in the pre-race information packs and again at race registration.

Kit

Here you will find a list of the mandatory kit required to participate in the event. This kit must be carried and/or worn at all times for the duration of the event. This is there to

provide yourself and other runners with everything you may need in the event of an emergency.

Mandatory kit checks will be carried out prior to being issued with your race number. There may also be spot kit checks on the course and at the finish line.

Anyone found not to be carrying any items of mandatory kit will incur a 1-hour time penalty or possible disqualification.

The Yellow Belly 50 Ultra is 75% on trails. Therefore, suitable trail running shoes are advised.
